

Region 6 CERCLIS and DOCKET issues

Houston Army Maintenance Support #4

FAA Kirksville AFS P-64

Range and Pasture

NALF Orange Grove

Santa FE NF – Pecos Campground (Andrew Cherry; attorney, FFEO; HQ and Philip Ofosu; R6)

Santa fe NF- Tererro Mines Tailing (Andrew Cherry; attorney, FFEO; HQ and Philip Ofosu; R6)

We decided these 2 sites be removed from or not added to the docket since the State is responsible for these sites. [I could not find these sites in CERCLIS, so it sounds like nothing needs to be done with these.](#)

FW Naval Air Station – Joint Reserve Base

FWS – D'ARBONNE – National Wildlife Refuge

Shreveport Medical Center

New Orleans Medical Center

Hammond Combat Communication Air National Guard

FWS-Upper Ouachita National Wildlife Refuge

When I reviewed the information submitted by HQ on the above facilities, I requested HQ not to list on or removed these facilities from the docket because of insufficient, wrong, or lack of information on reporting mechanisms. [I could not find these sites in CERCLIS, so it sounds like nothing needs to be done with these.](#)

1. BUL- MAN Construction Company – If I remembered correctly, this company constructed a bridge or some kind of dam and the waste that was left on site was been removed for disposal. The company left after the project over. This site is not a docket site and should not be listed on the docket. [I could not find this site in CERCLIS, so it sounds like nothing needs to be done with these.](#)

2. BIA BRANCH OF ROADS CHEU – I requested this site not to be listed on the docket because what occurred was a spill on the highway which was cleanup. [I could not find this site in CERCLIS, so it sounds like nothing needs to be done with these.](#)

3. (b) (6) Property – This site is not a docket site and should not be listed on the docket. This is a private property. There was a spill on the highway closed to this property. The spill was cleanup. [I could not find this site in CERCLIS, so it sounds like nothing needs to be done with these.](#)

4. Houston Medical Center – is a private medical center. We do have a VA Medical Center on the same street. It is the VA Medical Center which is already on the docket and in CERCLIS. [In CERCLIS as VA Medical Center and is listed as a FF Docket site.](#)

Sites already in CERCLIS

#36 is same as Houston Organization Maintenance #36 in CERCLIS [In CERCLIS as FF Docket site, sounds like nothing needs to be done.](#)

Sites with no FF flags in CERCLIS

Region 6 has 20 of the 149 Docket sites with no FF flags in CERCLIS. All these sites have been flagged except Matagorda Island. [Sounds like we do not need to do anything with these sites. They have been fixed by Region 6.](#)

Matagorda Island – 2 or 3 drums were washed to shore from the ocean. Fish and Wildlife picked them up and disposed of them. This was reported to the National Response Center. This site need not be on the docket. This site is in CERCLIS and coded as Not a Valid site. [This is listed as a FF Docket site in CERCLIS. Does the FF Docket record need to be removed.](#)
